About the event

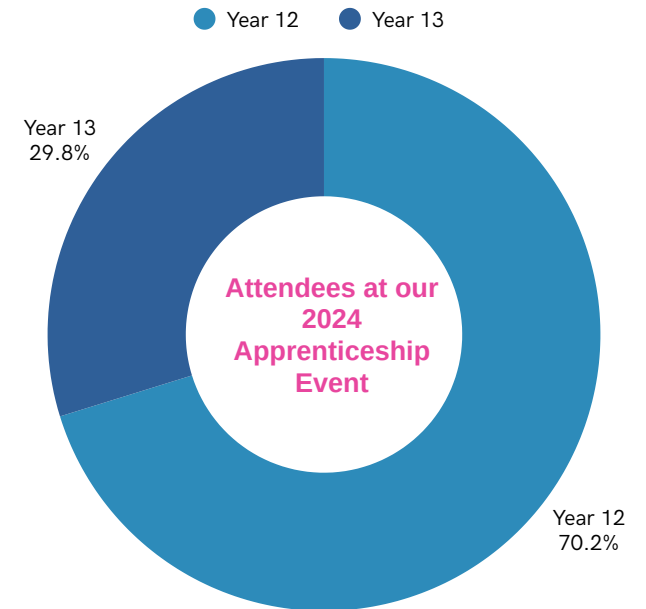

We are delighted to be running our Manchester STEM Women Apprenticeship Careers Event in October 2025.

Our October 2024 event was attended by **170 female school students** (Year 12 & Year 13). The attendees spoke to company reps at the exhibitor stalls and watched employer insight talks in the theatre.

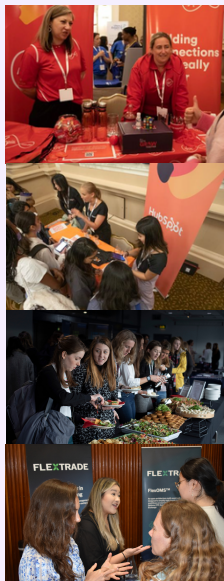

Our 2025 event will follow the same format, and employers can choose from various exhibitor packages. Employers will promote all levels of Apprenticeships, from entry level to higher and degree, and can expect to meet 250 attendees.

"It was a valuable opportunity to have real conversations with employers and apprenticeship providers who were eager to share the opportunities available."

- Alderley Edge School student attendee at our 2024 event

Exhibiting at an in-person STEM Women event

- » Exhibitors have a table, chairs and can display promotional materials.
- » Bring a banner to fit in a 3 metre wide space.
- » Breakfast provided for all exhibitors.
- » Students visit the stands during the event.

3 METRE WIDE SPACE BEHIND YOUR TABLE FOR A POP-UP BANNER

Manchester STEM Women Apprenticeship Careers Event (20/10/25)	£1,600	£2,100	£2,600	£3,100

Which package should you choose?

Basic Package

You can bring up to 3 reps on a Basic Package giving you a great opportunity to meet all the relevant attendees in person.

Data Package

Upgrade to a Data package to receive all of the academic and contact information for everyone who signed up for the event. While we are expecting circa 250 attendees on the day for this event, you will receive the data for all of our opted in sign-ups, circa 300.

Premium Package

This is a great package to maximise your exposure, you can bring 5 reps on the day (instead of 3), have a 150 word programme entry (instead of the standard 50) and you will be included in our post event email with a link to your webpage.

Speaker Package

Our Speaker Package allows exhibitors to deliver a 10 minute insight talk on stage and introduce their company. A great way to promote your organisation and increase traffic to your stand.

Manchester STEM Women Apprenticeship Event 2024

"The students were absolutely buzzing today about it all and had nothing but positive feedback. Genuinely one of the best networking events I've taken students to in my 15 years of teaching. So thank you again so so much, I look forward to attending future events!" - *Teacher at Didsbury High School about our 2024 event*

Our 2024 Manchester STEM Women Apprenticeship Event Exhibitors:

"I was impressed with the number of engaged, enthusiastic women, the turnout was brilliant. The women had fabulous questions and I hope we'll see them applying for our roles."

- Charlotte Watson (Talent Acquisition Partner at Siemens) about our 2024 event
